Kyrene del Norte is bordered by Redden Park on the West side of the school. Kyrene School district is currently in negotiations with the City of Tempe to acquire a portion of Redden park, which houses playground equipment, a swing set, and basketball courts. These park amenities are used as the primary recreation areas, Monday through Friday, by Norte Elementary School. Currently there are no safety and/or security barriers in place to control access to the playground during school hours for non-registered school visitors or those who might seek to do harm to children. To install a 6' safety/security fence is estimated at \$23,500.
